Areas of Expertise

AUTHENTIC MARKETING

Expressing yourself in your business and brand leads to attracting your dream clients, and more fulfilling work.

SELF-CARE FOR ENTREPRENEURS

Taking time for self-care is a healthy investment in your business. Avoid burn out and have deeper impact.

RUNNING A SPIRITUAL BUSINESS

Sell your services, not your soul. Heart-centred strategy helps your business nourish you, and your bank account.

BIOGRAPHY

Seryna Myers is a brand strategist and speaker, who helps passionate entrepreneurs create big, beautiful brands their customers fall in love with.

She believes that authenticity is the key to heart-centred business, and that marketing can be done with integrity.

Seryna is a formerly burned-out corporate drone who advocates for self-care for entrepreneurs, and is a global ambassador for the Body Image Movement.

Seryna makes her home in beautiful Vancouver, BC, and hosts a Facebook group called The Tribepreneur Collective where she supports spiritual entrepreneurs in running their soul-aligned business.

Unleash Your

magic

PRAISE

"Seryna, you are a light warrior, armed with gifts and vision, and you show up with your heart, depth and magic to shake down the status quo and shallow living so that people can step into their wholeness and claim in." - **ROCKY CALLEN**

"In a room full of people, Seryna's genuine warmth makes you feel as if, even from the stage, she is talking directly with you in an intimate conversation of the souls. Her talk about overcoming messages of being "too much" and embracing herself fully with authenticity and vulnerability is a shared experience many can connect with." - **SARAH MADRAS**
